the Federal Government's funding of headspace services throughout Australia via the Primary Health Network. These Centres provide an entry point for young people to access a broad range of (well-integrated) services.

headspace Grafton aims to:

- provide improved access to mental health services;
- promote early identification and effective, evidence-based interventions;
- have specialist providers and primary health care working together within an accessible and integrated service framework.

POSITION SUMMARY

headspace Grafton has been selected to deliver the Individual Placement and Support Program under the Disability, Mental Health and Carers Program. The Australian Governments Individual Placement and Support (IPS) Program will provide vocational assistance for young people with mental illness up to the age of 25 years at 14 headspace sites nationally. Under this 'Work & Study' Program vocational and employment support will be provided in conjunction with clinical and non-vocational assistance. The objective of the IPS Program is to help improve the educational and employment outcomes of young people with mental illness. The results of the IPS Program will be used to inform future policy for the delivery of appropriate and targeted vocational assistance for young people experiencing mental health issues.

This position will provide:

- Vocational support to young people participating in the IPS Youth Program.
- Coordinate the activities and collate the necessary data pertaining to external fidelity reviews.
- Play a critical role in the provision of IPS services within headspace Grafton
- work as part of the headspace Grafton multidisciplinary team and with external stakeholders to assist young people to transition into employment and provide ongoing mentoring and post placement support.

KEY RESPONSIBILITIES

Project Support:

- Ensure compliance with the IPS/W&S Practice Principles and the Fidelity Framework and work with the Supervisor/Senior Vocational Specialist to ensure that the service achieves and maintains good-exemplary fidelity to the IPS model
- Participate in the review of operational plans, strategies, policies and systems that are aligned to the strategic goals of the W&S program.

Functional/Operational:

- Take referrals from headspace staff and service partners and manage a caseload of young people experiencing mental health issues who require supported transition into employment.
- Deliver the W&S model of vocational assistance to young people (aged up to 25 years) with mental illness.
- liaise with clinical teams, families and employers in an ongoing and professional manner to achieve positive outcomes for young people.
- Support young people to identify, find and keep competitive employment consistent with their interests, capabilities and vocational goals
- Develop care plans that are inclusive of and work alongside other employment service providers.
- Develop employment transition plans for individuals that address barriers to accessing and maintaining employment consistent with the individual's interests, skills, experience and capabilities.
- Maintain data collection and record keeping in line with program and organisational standards.
- Attend internal and external meetings as required

- Ensure adherence with all mandatory headspace and IPS/W&S training

Stakeholder Engagement:

- Develop and maintain strong networks and communication pathways with service providers, including mental health and vocational service providers and prospective employers.
- Actively communicate, and share knowledge, with other headspace team members to ensure quality services.
- Effectively market the W&S program to internal and external stakeholders and develop referral pathways across the youth sector.

Quality

- Participate in the development, implementation and review of quality improvement initiatives.
- Promote evidence based practice and processes and the use of process and outcome measurement.
- Ensure services meet the W&S Fidelity model and accurate information is provided during the evaluation of the services.
- Actively participate in the design and implementation of the evaluation.

Youth Participation and Family and Friends Participation

- Ensure young people are active participants in their own care and family and friends are appropriately engaged and supported in planning and delivery through family inclusive practices.
- Consider and provide meaningful opportunities for family inclusive practice by engaging, orientating and supporting family and friends of young people seeking and/or receiving care from the headspace service.
- Ensure young people and family and friends are encouraged and supported to provide feedback (complaints, compliments, suggestions, concerns etc) to the headspace service, including directing them to the multiple ways in which such feedback may be delivered and willingness to receive and document the feedback.
- Engage young people, their family and friends in a respectful, friendly and supportive manner.
- Demonstrate a strength based approach when working with and speaking about young people and their family and friends.
- Assist young people, their family and friends to access the service; navigate the system and experience an integrated and seamless service platform.
